Stay Connected

More than 12,000 Reasons to Stay in Touch

Harpeth Hall's social media sites have more than 12,000 participating members.

Join us and stay connected.

Our Mission

Harpeth Hall is an independent college preparatory school for young women where each student realizes her highest intellectual ability in the sciences, the humanities, and the arts and discovers her creative and athletic talents. Harpeth

Hall develops responsible citizens who have global perspectives and make meaningful contributions to their communities and the world. With a tradition of excellence and a commitment to life-long learning, Harpeth Hall educates young women to think critically, to lead confidently, and to live honorably.

Our Faculty Core Purpose

Our core purpose is to nurture a sense of wonder, to instill a will and facility for learning, and to promote cultural understanding, environmental stewardship, and service to others. The pursuit of these goals will inspire students and faculty to combine knowledge with goodness and reflection with action.

Our Values

The Harpeth Hall community—students and faculty—has chosen respect, integrity, individuality, and trust to be our guiding principles.

These values reflect our reverence for expressing kindness toward and acceptance of others, our commitment to diversity, forgiveness, and achieving one's personal best, and our dedication to the service of others.

Call to schedule a campus tour.
