Harpeth Hall Has It All – For Girls!
Academics, Arts, and Athletics

WELCOME!

Dear Families,

Welcome to the 2017 Summer Programs at Harpeth Hall School. For over 14 years, Harpeth Hall has offered the best summer opportunities for girls in Middle Tennessee. This year is no exception. Whether it is serving a tennis ball or serving others, catching bugs or catching basketballs, stringing a violin or stringing gemstones, there is so much to try this summer at Harpeth Hall. Leading the state in the areas of Academics, Arts, and Athletics, the Summer Programs at Harpeth Hall offer the same excellence in teaching, leadership, and coaching that is found throughout the school year. Echoing the school's mission, this summer we will teach your girl to think critically, to lead confidently, and to live honorably. And have fun, too.

I welcome you to look through the brochure with your daughter and discover for yourself why I say ... Harpeth Hall has it all!

Sincerely,
Kelsy Mugele

FREQUENTLY ASKED QUESTIONS:

How do I sign up?

Campers should complete the registration form online and make their payment by credit card only. Online registration is preferred for all camps. To register, go to www.harpethhall.org and click on Summer Programs. Register each camper separately.

What should I bring?

It's a good idea to always have a water bottle and sunscreen if the camp is outdoors. If a camper does not have the proper equipment, it will be provided. Wear comfortable clothing and appropriate shoes.

What will I eat?

If a camper is registered for a full-day camp or has chosen the option to "make a day," a healthy lunch with several options will be available to her in the Dining Hall. Campers may opt to bring their own lunch or snacks, but the fees will not be reduced.

What if my daughter doesn't know anyone in her camp session or camp grouping?

An overwhelming majority of girls do not know anyone in their group on the first day of camp. This is why Harpeth Hall Summer Programs goes above and beyond to make girls feel comfortable on campus while in camp. Remember, teaching girls is all we do. Both faculty leaders and high school counselors encourage girls to make new friends while participating in camp.
