

The Nova Fidelitas Society

Special thanks to alumnae in class years of the past decade who have given consistently to the school since their graduation from Harpeth Hall. The Nova Fidelitas Society recognizes their loyalty to their alma mater at a young age.

"As a proud Harpeth Hall alumna with a young daughter, I feel it is not only important to give back to Harpeth Hall because of the wonderful four years I experienced, but also to support future generations of girls. The genuine life-long relationships I made with faculty and classmates, along with the valuable knowledge and confidence I received at Harpeth Hall, make giving back effortless."

**Amy Warner Greathouse '02,
Head's Young Alumnae Council Member**
